H. P. WHITNEY TO

Authoritative Announcement that Young Millionaire Will Campaign Horses Formerly Owned by His Late Father.

LOCKEY WILLIE SHAW WILL DO HIS RIDING.

Contract Registered with the Club Would Seem to Indicate "Pittsburg Phil's" Former Star Will Be Reinstated.

Harry Payne Whitney has decided to race this year, and Jockey Willie Shaw, whose license was revoked last May, will do his riding. There has been much speculation on these two very important turf matters for some

the effect that some of the horses would be retained. Now follows the authoritative announcement that he has decided to race, and it is authoritative, because his contract with Willie shaw has been filed with the Jockey Club. Whatever racing Mr. Wille Shaw has been filed with the Jockey Club. Whatever racing Mr. Whitney does, however, will probably be in the name and colors of Frank R. Hitchcock, who was William C. Whitney's close friend, and also is Harry Payne Whitney's friend.

It is stated that the positive announcement of Mr. Whitney's intentions was withheld because the horses are part of the Whitney estate, and as such the consent of all the heirs had to be gained in the matter of their disposi-

tion.

It is very probable, however, that many of the horses will be sold and the racing stable reduced to the cream of the bunch. The Whitney horses in Eng-land will no doubt be sold, as will many of the mares and stallions in the stud.
Wille Shaw's contract with Mr. Whitney will be operative, of course, only in the event of his receiving his license. Shaw has recently received flattering offers to ride abroad, the best of which was a retainer of \$10,000. Mr. Whitney pays Shaw double that sum, it is said. Shaw was suspended at Jamaica last spring after the defeat of Illyria, a well played favorite owned by W. C. Daly. There was much comment on the race at the tme, and many of the turf experts unhesitatingly declared that Shaw had been unjustly treated. for Mr. Whitney seems to indicate that he will receive his license. It was recently reported that he had engaged to ride for the Keenss. His last employer was "Pittsburg Phil," the noted plunger.

GEN. O'BRIEN TO BE NAMED.

Stated for Secretaryship of Inth mian Canal Commission.

WASHINGTON, March 4.-Gen. Edwashington, March 4.—Gen. Edward C. O'Brien, Dock Commissioner under Mayor Strong, will probably be appointed Secretary of the Isthmian Canal Commission. He was a prominent candidate for a Commissionership.

It was under Gen. O'Brien's administration that the great new docks on West street were built. He also built a majority of the recreation piers in New York.

The matter was reported to the authorities and warrants were sworn out.

The trial occurred at Currituck.

It developed the fact that John Outlaw did not think there was anything law did not think there was anything wrong in the affair. Neither did Mrs. Outlaw por Jerome Outlaw. When John Outlaw became aware that there was a possibility of the transaction being annulled by court he gathered up his fishing nets and decammed.

Jerome and Mrs. Outlaw were found guilty of illegal cohabitation, but as the children are dependent upon the couple for support no penalty was inflicted.

Mrs. Jaeckle, who was sixty-eight years old, was known to be peculiarly sensitive to what she childed warnings of evil, and when she visited a store at No. 86 Magazine street to-day she remarked that she had had a dream during the night of minous portient.

Immediately after she became ill, and the police ambulance was summoned.

She died in the vehicle while she was being taken home.

Lawyer's Letter.

Mr. E. D. McVey, of Lowell, Mass., one of the best known lawyers in Middlesex County, says: "I have written a good many letters, but none more willingly than this one to express my gratitude for the benefit my family have derived from Father John's Medicine. It saved my son from a serious attack of pneumonia, and my doctor advised me to keep it on hand all the time as a protection against colds and throat and lung troubles. He sidd to take it from time to time to build up the system, and that if taken after any exposure it would prevent colds." This old prescription nourishes the body and makes strength because its ingredients are pure and wholesome and food for the blood and nerves. The absence of temporary and weakening stimulants and drugs explains why it builds up the body at the same time it cures the disease.

Miller's Powerine is a good soap powder. There's none better. But that's not all. It is rich in ammonia—and that's not all. The ammonia is combined with the soap so that it stays there. Smell a little Powerine. There is no odor of ammonia. Now add some water to it, and the fumes of ammonia will set your nostrils tingling. That's the point that gives such power to .
